

# D'ARAN

Bio & Natural Skincare Solutions

( English ver. )

A close-up photograph of a woman's face, showing her nose and lips, with her hands clasped in front of her. The background is dark, making the skin tones stand out. The text is overlaid on the right side of the image.

# BRAND STORY

## 1. DERMATOLOGY FOR SKIN CARE

The name of D'RAN is the combination of "Dermatology" and Korean word "RANG" which means 'together', D'RAN pursues the harmony of healthy skin and optimum beauty as a natural skin care brand with dermatology.

## 2. NATURALISTIC SKIN CARE

D'RAN has been dedicated to cruelty free practices so we ensure our own manufacturing and testing processes are completely free from animal testing. We are the naturalistic skin care brand that cares for healthy skin by making products with stringent selection of ingredients excluding harmful ingredients.

## 3. PREMIUM QUALITY & REASONABLE PRICE

Most products of D'RAN are multi-functional products containing whitening and anti-wrinkle functional ingredients certified by KFDA.

Our products contain a lot of premium selected ingredients from nature, our customers are satisfied with the high quality products and reasonable price.

## 4. LOOKING FURTHER, IMPROVING PRODUCTS

We are always thinking of new idea and listening to the customer's opinion. We are the future-oriented skin care brand seeking the improvement of quality of products and the development of new products enthusiastically.

## 5. PURSUING GLOBAL BRAND

Our facilities are qualified by ISO9001:2008(Quality Management Systems) and ISO22716:2007(CGMP) and ISO14001:2004(Environmental Management Systems) for the Development, Manufacture, Sales and Service of Cosmetics. We also accredited as a venture business for its cutting-edge new technology, venture business and creative business management. We have grown into one of the leading cosmetic manufacturer in Korea and we are now exporting our products to United States, Europe, Asia and Oceania as a global brand.
