PHYSIOTHERA 3-STEP MASK

10sheets/Box

Ebony Black

Choc Choc

- Easy to draw lines with an elastic, soft brush pen for natural, deep eyes.
- Delivers any look from a thin line to a bold, dramatic stroke.
- Long lasting waterproof formula without smudging, skipping.

PHYSIOLAB FERMENT COMPLEX

PHYSIOLAB FACE MASK is made from the "FERMENT COMPLEX" which is the fermentation of the extract from natural resources such as broccoli, tomato, orange, and blueberry that are known as superfood. The product itself is HYPOALLERGENIC and mild, appropriate for all skin types including sensitive skins.

PHYSIOLAB COSMECEUTICAL

COSMECEUTICAL

Cosmeceuticals are the technically advanced skin care products that bridge the gap between cosmetics and pharmaceutical products, combining medical based ingredients to deliver essential nutrients to the skin, providing anti-aging and skin correcting properties that you simply cannot get from your regular cosmetics.

All our products are Paraben-Free and we do not conduct animal testing.

Using Science to get the Best out of Nature.
